PROFILE

I am a graduate of Bialystok University of Technology with a degree in Computer Science. I have knowledge and skills in web technologies, such as Angular and TypeScript, as well as knowledge of SQL and C# programming. Although I have limited professional experience, I am highly motivated to gain new skills and experience in the IT industry. I am creative and always seek new solutions, and my attention to detail helps me deliver high-quality work. I am flexible and able to work effectively in a team with a positive attitude.
